

(5) The cost of investment in infrastructure directly required for HOME-assisted projects is credited at the time funds are expended for the infrastructure or at the time the HOME funds are committed to the project if the infrastructure was completed before the commitment of HOME funds.

(6) The value of donated material is credited as match at the time it is used for affordable housing.

(7) The value of the donated use of site preparation or construction equipment is credited as match at the time the equipment is used for affordable housing.

(8) The value of donated or voluntary labor or professional services is credited at the time the work is performed.

(9) A loan made from bond proceeds under § 92.220(a)(5) is credited at the time of the loan closing.

(10) The direct cost of social services provided to residents of HOME-assisted units is credited at the time that the social services are provided during the period of affordability.

(11) The direct cost of homebuyer counseling services provided to families that purchase HOME-assisted units is credited at the time that the homebuyer purchases the unit or for post-purchase counseling services, at the time the counseling services are provided.

(b) *Excess match.* Contributions made in a fiscal year that exceed the participating jurisdiction's match liability for the fiscal year in which they were made may be carried over and applied to future fiscal years' match liability. Loans made from bond proceeds in excess of 25 percent of a participating jurisdiction's total annual match contribution may be carried over to subsequent fiscal years as excess match, subject to the annual 25 percent limitation.

(c) Credit for match contributions shall be assigned as follows:

(1) For HOME-assisted projects involving more than one participating jurisdiction, the participating jurisdiction that makes the match contribution may decide to retain the match credit or permit the other participating jurisdiction to claim the credit.

(2) For HOME match contributions to affordable housing that is not HOME-

assisted (match pursuant to § 92.219(b)) involving more than one participating jurisdiction, the participating jurisdiction that makes the match contribution receives the match credit.

(3) A State that provides non-Federal funds to a local participating jurisdiction to be used for a contribution to affordable housing, whether or not HOME-assisted, may take the match credit for itself or may permit the local participating jurisdiction to receive the match credit.

§ 92.222 Reduction of matching contribution requirement.

(a) *Reduction for fiscal distress.* HUD will determine match reductions annually.

(1) *Distress criteria for local government participating jurisdictions.* If a local government participating jurisdiction satisfies both of the distress factors in paragraphs (a)(1)(i) and (ii) of this section, it is in severe fiscal distress and its match requirement will be reduced by 100% for the period specified in paragraph (a)(3) of this section. If a local government participating jurisdiction satisfies either distress factor in paragraphs (a)(1)(i) or (ii) of this section, it is in fiscal distress and its match requirement will be reduced by 50 percent, for the period specified in paragraph (a)(4) of this section.

(i) *Poverty rate.* The average poverty rate in the participating jurisdiction was equal to or greater than 125 percent of the average national poverty rate during the calendar year for which the most recent data are available, as determined according to information of the Bureau of the Census.

(ii) *Per capita income.* The average per capita income in the participating jurisdiction was less than 75 percent of the average national per capita income, during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(2) *Distress criteria for participating jurisdictions that are States.* If a State satisfies at least 2 of the 3 distress factors in paragraphs (a)(2)(i) through (iii) of this section, it is in severe fiscal distress and its match requirement will be reduced by 100% for the period specified in paragraph (a)(3) of this section. If a

§ 92.250

State satisfies any 1 of the 3 distress factors in paragraphs (a)(2)(i) through (iii) of this section, it is in fiscal distress and its match requirement will be reduced by 50 percent, for the period specified in paragraph (a)(4) of this section.

(i) *Poverty rate.* The average poverty rate in the State was equal to or greater than 125 percent of the average national poverty rate during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(ii) *Per capita income.* The average per capita income in the State was less than 75 percent of the average national per capita income, during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(iii) *Personal income growth.* The average personal income growth rate in the State over the most recent four quarters for which the data are available was less than 75 percent of the average national personal income growth rate during that period, as determined according to information from the Bureau of Economic Analysis.

(3) *Period of match reduction for severe fiscal distress.* A 100% match reduction is effective for the fiscal year in which the severe fiscal distress determination is made and for the following fiscal year.

(4) *Period of match reduction for fiscal distress.* A 50% match reduction is effective for the fiscal year in which the fiscal distress determination is made and for the following fiscal year, except that if a severe fiscal distress determination is published in that following fiscal year, the participating jurisdiction starts a new two-year match reduction period in accordance with the provisions of paragraph (a)(3) of this section.

(b) *Reduction of match for participating jurisdictions in disaster areas.* If a participating jurisdiction is located in an area in which a declaration of major disaster pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act is made, it may request a reduction of its matching requirement. For a local participating

jurisdiction, the HUD Field office may reduce the matching requirement specified in § 92.218 by up to 100 percent for the fiscal year in which the declaration of major disaster is made and the following fiscal year. For a State participating jurisdiction, the HUD Field office may reduce the matching requirement specified in § 92.218, by up to 100 percent for the fiscal year in which the declaration of major disaster is made and the following fiscal year with respect to any HOME funds expended in an area to which the declaration of a major disaster applies. At its discretion and upon request of the participating jurisdiction, the HUD Field Office may extend the reduction for an additional year.

Subpart F—Project Requirements

§ 92.250 Maximum per-unit subsidy amount and subsidy layering.

(a) *Maximum per-unit subsidy amount.* The amount of HOME funds that a participating jurisdiction may invest on a per-unit basis in affordable housing may not exceed the per-unit dollar limits established under section 221(d)(3)(ii) of the National Housing Act (12 U.S.C. 17151(d)(3)(ii)) for elevator-type projects that apply to the area in which the housing is located. These limits are available from the Multifamily Division in the HUD Field Office. If the participating jurisdiction's per-unit subsidy amount has already been increased to 210% as permitted under section 221(d)(3)(ii) of the National Housing Act, upon request of the Field Office, HUD will allow the per-unit subsidy amount to be increased on a program-wide basis to an amount, up to 240% of the original per unit limits.

(b) *Subsidy layering.* Before committing funds to a project, the participating jurisdiction must evaluate the project in accordance with guidelines that it has adopted for this purpose and will not invest any more HOME funds, in combination with other governmental assistance, than is necessary to provide affordable housing.
